1	NA	The Prime bidder has option of partnering with only one consortium member. The consortium members should be a Company registered in India under the Indian Companies Act 1956/2013 or a Registered Partnership Firm or a Sole Proprietary Firm or LLP. Documents proof to be submitted in case the Bidder is a Registered Company in India, they should produce the copy of the Certificate of Incorporation. In case the Bidder is Registered Partnership Company/Firm, they should produce the copy of Registered Partnership Deed. In case the Bidder is a Sole Proprietary Firm, they should produce the copy of valid Tax. Registration Certificate(s) [Registration certificate under equivalent law abroad for foreign company should be provided] A notarized or registered agreement between all the Consortium members mentioning the details of Lead bidder and other consortium members along with an outline of the financial strengths, technical strengths and the roles and responsibilities of each member of the consortium.	XX Group is a ABC based company that is already registered and operating in India for the past 12 years as XX Pvt. Ltd. XX Pvt. Ltd. is a wholly owned subsidiary of XX Group. To meet the maximum technical eligibility criteria, we require confirmation on the following points please: - Being a wholly owned subsidiary, can we use the technical credentials of our parent company to id on this project? Sufficient documentary evidence can be provided in this regard to demonstrate the relationship between the two firms. Further, for reference, please note that other Bharatnet TPA Tenders have also allowed this criteria (example, Chhattisgarh and Telangana). Alternatively, if the first option is not agreed upon, we request you to confirm that since our foreign parent company XX Group is already registered and operating in India as XX Pvt. Ltd., in case we bring XX Group in consortium with XX Pvt. Ltd., the clause of registering XX Group in India will not be valid as it is already registered and operating in India.	No Change
2	6.1.10	Sl. No. 9: Previous experience of one engagement involving Network Acceptance Testing / Third Party Audit / Project consulting of IP-MPLS + DWDM/IP-MPLS + GPON based network consisting of at least 200 nodes in last 5 years as on bid Submission date.
